www.WFCPILOTS.org

The Williamson Flying Club was founded in 1956 by five enthusiasts from the Williamson area.

The club's stated purpose is to promote and encourage interest in aviation and teach members to improve their flying skills.

Today's flying club is an incorporated organization of more than one hundred and forty members.

The Williamson Flying Club provides the following:

1. A community atmosphere that encourages learning.
2. A fulltime, professionally trained Flight Instructor.
3. A fleet of five aircraft to meet your training and travel needs.
4. A flexible rental policy that allows for extended trips.
5. Online Scheduling.
6. Unmatched aircraft rental and instruction rates.
7. Clubhouse access.
8. Flight Instruction and Ground Training towards the:
 - a. Private Pilot Certificate
 - b. Instrument Rating
 - c. Commercial Pilot Certificate
 - d. Certified Flight Instructor Certificate
